

New Bars for Hire

Lombard Events celebrates the launch of its new range of Manhattan and Antigua Bar Units.

Designed to be used either stand-alone, or coupled together in straight runs, L or U-shaped configurations, these bars complement any event.

Supplied with integral LED colour-change back-lighting, the Manhattan and Antigua Bar Units come into their own as the event gets into full swing.

‘A Baptism of Beer....’

The annual Christmas Party for staff and guests of **Addison Lee** christened the Manhattan Bars in style.

Nine units, set out as two separate bars and backlit in red to match the party’s theme, catered to over 3,000 party goers throughout the course of the evening.

Patrick McDonald of Addison Lee said

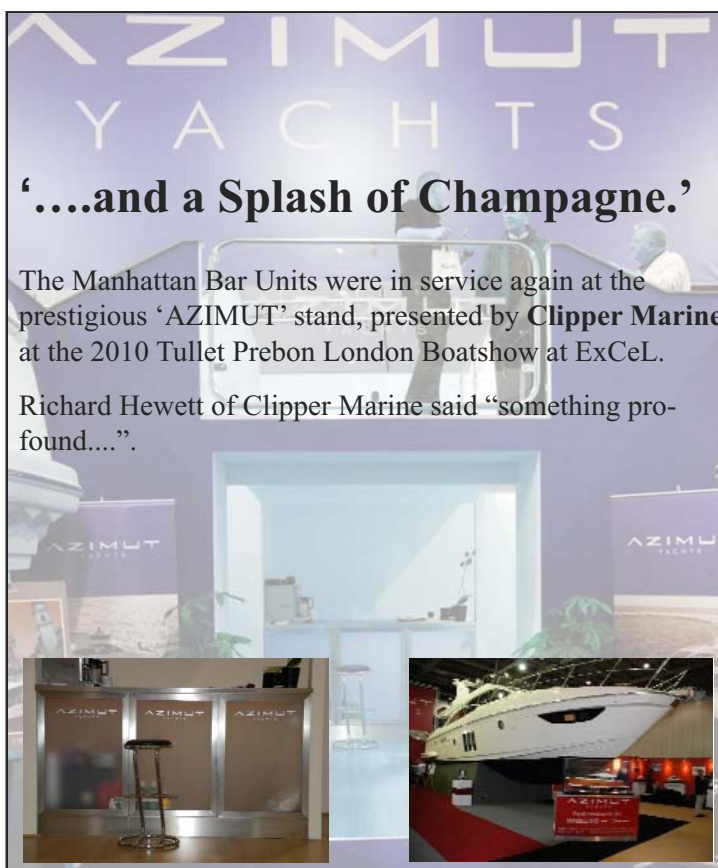

“...Lombard Events put a different spin on our parties year after year. Always within budget, always on time, always looks fantastic 10/10...”

‘...and a Splash of Champagne.’

The Manhattan Bar Units were in service again at the prestigious ‘AZIMUT’ stand, presented by **Clipper Marine** at the 2010 Tullet Prebon London Boatshow at ExCeL.

Richard Hewett of Clipper Marine said “something profound....”.

‘Looking Forwards...’

Odyssey₁₀ have commissioned Lombard Events to provide an 18m long bar to serve the anticipated 5,000 people attending the biennial extravaganza being held at Washington, West Sussex on the 3rd & 4th of July, this year.

A live link-up with the International Space Station, performances from over 1,500 local school children on three stages, and not forgetting a command performance from the Bootleg Beatles on the Sunday night, Lombard Events is proud to support this amazing spectacular all in aid of raising money for the children’s charity, **Sparks**.
